Summary

Datacenter and hosting engineer who has kept aging hardware running, planned upgrades around funding constraints and built billing and diagnostics tools. I bring hands-on infrastructure and customer-cost investigation to compute operations.

Skills

- Hosting and colocation operations
- Server and firewall upgrades
- Monitoring, diagnostics and escalation
- Billing and analytics

Professional Experience

Founder / Product Engineer / Systems Lead

Technomancy IT LLC

Present

- Own client infrastructure decisions, deployment and day-to-day support.
- Build operating tools that put client, service and billing context in one place.

Senior Systems Engineer / Datacenter Architect

Front Range Internet Inc.

2015 - 2020

- Ran the NOC and handled engineering escalations for hosting and colocation customers.
- Repaired aging servers, completed smaller upgrades and helped plan a full refresh that was not funded.

Systems / Software Engineer

Office Evolution

2014 - 2015

- Built Linux routing and Node.js provisioning for shared-office locations.
- Set per-office network access and bandwidth and made routine Wi-Fi troubleshooting self-service.

Network & Systems Engineer

PlumChoice / Everon

2012 - 2014

- Supported managed customer networks and endpoints and handled on-call escalations.
- Built repeatable diagnostics around recurring support issues.

Infrastructure and Systems Focal

IBM

2010 - 2012

- Coordinated work across shared infrastructure, application and vendor teams.
- Built an internal backup tool to reduce licensing costs.

Selected Projects

Excell | Carrier cost investigation

Technomancy IT · client engagement

- Investigated wasted network costs and secured a one-time $15,000 carrier refund while replacing legacy network and server infrastructure.

NuPrice | Marketplace pricing and billing

Long-term client engagement

- Built and operated a marketplace repricer that used competitor data and merchant-defined rules to inform prices, alongside billing and customer support.

Education

Front Range Community College

Computer Science coursework

2011 - 2013
